From the large Eastern tiger swallowtail and colorful monarch to the tiny spring azure, there is a huge range of size, color and patterns in local butterfly species. What makes a good butterfly habitat? How do you attract more of these beautiful animals? Find out more about our local butterflies and what brings them to our neighborhoods. Experience the sights of some of our most beautiful seasonal creatures!

Presenter: Joy Marzolf

Joy has been offering a variety of animal-related education programs for over 20 years. She has worked with a wide range of animals including marine mammals in rehab/rescue programs in Massachusetts, and a wide variety of captive and non-releasable rescued animals in Oregon. She has worked with reptiles in the wild, and in captivity, for over 20 years. Most recently, she was a Naturalist and Educator at Mass Audubon's Broadmoor Wildlife Sanctuary. Joy offers programs to a wide range of ages from pre-school to seniors.
