

A Few Winter Reminders from the DPW & Highway Division

Winter Parking Ban

Residents are reminded that a winter parking ban is in effect from November 1 until April 1. On-street parking is not allowed between the hours of 1:00 a.m. and 6:00 a.m. The parking ban also includes the Municipal Parking areas located behind the W. Acton Fire Station (258 Central St), S. Acton Fire Station (54 School St), Railroad Street, rail trail terminus at Maple Street, and at the end of Sylvia Street. Your cooperation is greatly appreciated.

Winter Maintenance

Please remember that our crews have to travel on snow covered, slippery untreated roads to get here at any hour of the day or night. Please be patient as the crews will be out as soon as possible to begin the snow & ice operations. We are currently experience a shortage of staffing and plow contractors so our snow & ice operations for sidewalks and roads will take longer than usual. We ask for your patience and understanding.

Fire Hydrants

Fire hydrants are under the control of the Acton Water District. The Water District asks residents with hydrants in front of or near their property to please clear the snow away from the area so that in an emergency the hydrant will be accessible. Questions regarding snow removal near hydrants should be directed to the Acton Water District at (978) 263-9107.

Mailboxes and Basketball Posts & Nets

Mailboxes installed in the Town right of way are placed at the owner's risk. Each mailbox installation should be sufficiently solid to withstand snow-clearing efforts by the Town. It is the responsibility of the owner of the mailbox to clear the snow around the mailbox to assure mail delivery by the U.S. Postal Department. If the snow banks are too high to shovel, place a temporary box beside the road until the snow has melted enough to allow access to the mailbox. Please check that your mailbox and post are secure and in good condition prior to the snow season.

Please remove your basketball posts & nets away from the edge of the road before the snow & ice events. These can cause damage to Town vehicles and also interferes with snow removal operations. The Town cannot be held responsible for damage caused to them.

Sand and Salt

A mixture of sand and salt is available to residents (no contractors) at the designated area located at the Highway Division, 14 Forest Road. Please use caution while entering and exiting as vehicles and equipment are prevalent. Please bring your own shovel and container.

More information is available in the Winter Maintenance publication that can be found on the Town of Acton website, www.actonma.gov
