The 20th Century: A 1960-1969 Review with Dawn Gomez

Thursday, January 8th, 1:00-2:00pm

Open to all age 60+/free

The “Swinging Sixties” in the United States were a decade of profound transformation. Most Americans were enjoying higher living standards built on the prosperity of the 1950’s. The stock market hit new highs and consumer spending surged. Kennedy’s “New Frontier” vision and Johnson’s “Great Society” programs inspired hope and improved quality of life for millions. The continued Civil Rights Movement challenged racism and laid the foundation for greater equality. The rise of the counterculture showcased a new way of life and set of attitudes. However, the country was deeply fractured by political assassinations and the Vietnam War. By the end of the decade, our nation was both energized by progress and shaken by violence and social unrest, leaving a legacy of change that reshaped modern America. Come learn more about this decade and share your own family stories as well. *Dawn Gomez, Reminiscing Round Table Founder, provides topic-based programs for seniors at assisted living and senior center communities.*

Later came the white doo-woppers like Danny & the Juniors singing *At the Hop* and Dion & the Belmonts with *Where or When*. And did you know that the familiar *Blue Moon* by the Marcells was a hit from the 1930s? And there were just so many more songs of innocent romance and snappy harmonies from this era like *Sh-Boom*, *Little Darlin'*, *Sincerely*, *Book of Love*, *In the Still of the Night* and that huge 1956 hit *Why Do Fools Fall in Love*? And don't forget those silly ones like *Speedo* and *Get a Job* and all the doo-wop craziness of the Coasters. It's all here!! *Prior to a career as a high school and adult education teacher, John Clark worked in music publishing in Nashville. “Troop 1 and Troop 284 are collecting Holiday Trees. Acton Scouts 2026 Holiday Tree Pick Up is back again. Troop 1 and Troop 284 are collecting Holiday Trees. We hope you have had an opportunity to see our lawn signs and flyers around town. Our partnership allows us once again to pick up trees from both Acton and Boxborough residents. We truly hope we can count on your support. Together, we will collect trees on Saturday, January 3, 2026, and Saturday, January 10, 2026. Your ongoing support of our Scout Troops means the world to us. Your donation helps us fund campouts, hiking activities, merit badge workshops, camp, the upkeep of camping gear, courts of honor, and high adventure trips for all our scouts. A recommended donation of \$20 can ensure a contactless pick up at your residence. Payment can be made by check (Check can be written out to Troop 284 Acton), and easily affixed to your tree in a plastic baggie. Or sign up and pay online at ActonBSA.org. No computer to sign up, no problem! Just give us a call at 978-795-4152 and leave a message and we will get back to you. We are here to support you. It's Simple, it's Easy, and it's Local. Thank you in advance for your support!

The **Acton Boxborough Community Compass Wellness Team** is sponsoring the second annual NOURISH WEEK from January 24-21, 2026. This year the theme is highlighting healthy, affordable options at mealtime. Watch your local Grocery stores, restaurants and other participating community agencies for ways in which you may be able to participate and benefit.

The **Acton Community Chorus** presents our winter concert, *I Hear The Stars Still Singing*, a constellation of contemporary choral music contemplating the stars and the ways they guide our lives, featuring a multi movement work by Kenneth Riggs called "Starlight Songs", plus written works by other living composers such as J. Michael Saunders, Jacob Narverud, Susan LaBarr, and Victor C. Johnson. The concert will be held on Saturday, January 10, 2026 at 4pm at the Acton Congregational Church with an inclement weather date of Sunday, January 11th at 4pm. Tickets are available through the link on our website or at the door. There will be a reception following the concert. Every year we seek out a community partner to support, and this season we are partnering with NAMI of Central Middlesex County. They will have volunteers in attendance to share the resources they have for individuals and families living with mental health conditions. The Acton Community Chorus is a nonprofit organization supported in part by grants from the Acton Boxborough, Concord, Littleton and Stow cultural councils which are supported by the Massachusetts Cultural Council, a State agency.

December was packed full of fun things.

The Needle Arts Group held a very successful sale, we learnt about life in the deep ocean, we were entertained with much festive music and the Holiday Tea was a great success as always.
